### NR1H4 Antibody - middle region ASB-ARP33672\_P050

|                          |                                                                                                                              |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | NR1H4 Antibody - middle region                                                                                               |
| Artikelnummer            | ASB-ARP33672_P050                                                                                                            |
| Hersteller Artikelnummer | ARP33672_P050                                                                                                                |
| Alternativnummer         | ASB-ARP33672_P050-25UL,ASB-ARP33672_P050-100UL                                                                               |
| Hersteller               | Aviva                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                             |
| Applikation              | IHC, WB                                                                                                                      |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human NR1H4                                       |
| Produktbeschreibung      | The NR1H4 gene encodes a protein that has a central role in lipid homeostasis and also regulates carbohydrate metabolism.... |
| Klonalität               | Polyclonal                                                                                                                   |
| Konzentration            | 0.5 mg/ml                                                                                                                    |
| Molekulargewicht         | 54kDa                                                                                                                        |
| NCBI                     | <a href="#">9971</a>                                                                                                         |
| UniProt                  | <a href="#">Q96RI1-2</a>                                                                                                     |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
