| Artikelname              | ZFP36 Antibody - N-terminal region                                                                               |
| Artikelnummer            | ASB-ARP34386_P050                                                                                                |
| Hersteller Artikelnummer | ARP34386_P050                                                                                                    |
| Alternativnummer         | ASB-ARP34386_P050-25UL,ASB-ARP34386_P050-100UL                                                                   |
| Hersteller               | Aviva                                                                                                            |
| Wirt                     | Rabbit                                                                                                           |
| Kategorie                | Proteine/Peptide                                                                                                 |
| Applikation              | IHC, WB                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat, Yeast                                                                                         |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human ZFP36                       |
| Produktbeschreibung      | Located on chromosome 19, ZFP36 encodes a protein that is involved in controlling pro-inflammatory cytokines.... |
| Klonalität               | Polyclonal                                                                                                       |
| Konzentration            | 0.5 mg/ml                                                                                                        |
| Molekulargewicht         | 34kDa                                                                                                            |
| NCBI                     | <a href="#">7538</a>                                                                                             |
| UniProt                  | <a href="#">P26651</a>                                                                                           |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
