| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Sheep, Zebrafish                                                                                                                                                                               |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N-terminal region of Human TFAP2A                                                                                                                                                                   |
| Produktbeschreibung      | The protein encoded by this gene is a transcription factor that binds the consensus sequence 5-GCCNNNGGC-3. The encoded protein functions as either a homodimer or as a heterodimer with similar family members. This protein activates the transcription ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 48kDa                                                                                                                                                                                                                                                         |
