| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Canine, Equine, Human                                                                                                                                                                                                                                         |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C terminal region of human SLC47A2                                                                                                                                                                  |
| Produktbeschreibung      | SLC47A2 is a protein belonging to a family of transporters involved in excretion of toxic electrolytes, both endogenous and exogenous, through urine and bile. This transporter family shares homology with the bacterial MATE (multidrug and toxin extrus... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 65 kDa                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">146802</a>                                                                                                                                                                                                                                        |
