Product Datasheet

PRC1 Antibody - N-terminal region ASB-OAGA04939

Artikelname	PRC1 Antibody - N-terminal region
Artikelnummer	ASB-OAGA04939
Hersteller Artikelnummer	OAGA04939
Alternativnummer	ASB-OAGA04939-100UL
Hersteller	Aviva
Wirt	Rabbit
Kategorie	Proteine/Peptide
Applikation	ICC, IF, IHC, WB
Spezies Reaktivität	Human, Mouse
Immunogen	Recombinant protein encompassing a sequence within the N-terminus region of human PRC1. The exact sequence is proprietary.
Produktbeschreibung	This gene encodes a protein that is involved in cytokinesis. The encoded protein is at high level during S and G2/M and drop dramatically after cell exit mitosis and enter G1. It is located in the nucleus during interphase, and becomes associated wit...
Klonalität	Polyclonal
Konzentration	1 mg/ml
Molekulargewicht	72 kDa
NCBI	9055

Formulierung

Liquid. 0.1M Tris, 0.1M Glycine, 20% Glycerol (pH7). 0.01% Thimerosal was added as a preservative.
