| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Porcine                                                                                                                                                                                                                                                       |
| Produktbeschreibung      | This Porcine Regulated On Activation In Normal T-Cell Expressed And Secreted (RANTES) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma and other biological fluids . This product is for... |
| Detektionsbereich        | 3.125-200ng/mL                                                                                                                                                                                                                                                |
| Sensitivitaet            | 1.15ng/mL                                                                                                                                                                                                                                                     |
| Proben                   | serum, plasma and other biological fluids                                                                                                                                                                                                                     |
| Target-Kategorie         | Porcine Regulated On Activation In Normal T-Cell Expressed And Secreted (RANTES)                                                                                                                                                                              |
| Anwendungsbeschreibung   | Assay Length: 4.5 hours. Experimental Method: Sandwich                                                                                                                                                                                                        |
