| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Human Large Neutral Amino Acid Transporter 1 (LAT1) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates, cell lysates and other biological fluids . This product is for Research ... |
| Detektionsbereich        | 0.156-10ng/mL                                                                                                                                                                                                                                                 |
| Sensitivitaet            | 0.056ng/mL                                                                                                                                                                                                                                                    |
| Proben                   | tissue homogenates, cell lysates and other biological fluids                                                                                                                                                                                                  |
| Target-Kategorie         | Human Large Neutral Amino Acid Transporter 1 (LAT1)                                                                                                                                                                                                           |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
