| Kategorie                | Kits/Assays                                                                                                                                                                                                                                      |
| Applikation              | ELISA                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                            |
| Produktbeschreibung      | This Mouse Left/Right Determination Factor 2 (LEFTY2) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma and other biological fluids . This product is for Research Use Only.... |
| Detektionsbereich        | 15.6-1000pg/mL                                                                                                                                                                                                                                   |
| Sensitivitaet            | 5.5pg/mL                                                                                                                                                                                                                                         |
| Proben                   | serum, plasma and other biological fluids                                                                                                                                                                                                        |
| Target-Kategorie         | Mouse Left/Right Determination Factor 2 (LEFTY2)                                                                                                                                                                                                 |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                             |
