| Hersteller               | reddot Biotech                                                                                                                                                                                                                             |
| Kategorie                | Kits/Assays                                                                                                                                                                                                                                |
| Applikation              | ELISA                                                                                                                                                                                                                                      |
| Spezies Reaktivität      | Rat                                                                                                                                                                                                                                        |
| Produktbeschreibung      | This Rat Period Circadian Protein 2 (PER2) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates and other biological fluids . This product is for Research Use Only.... |
| Detektionsbereich        | 0.312-20ng/mL                                                                                                                                                                                                                              |
| Sensitivitaet            | 0.101ng/mL                                                                                                                                                                                                                                 |
| Proben                   | tissue homogenates and other biological fluids                                                                                                                                                                                             |
| Target-Kategorie         | Rat Period Circadian Protein 2 (PER2)                                                                                                                                                                                                      |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                       |
