| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Bovine                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | This Bovine S100A1 Calcium Binding Protein (S100) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids . This product is for Research Use On... |
| Detektionsbereich        | 78.1-5000pg/mL                                                                                                                                                                                                                                                |
| Sensitivitaet            | 29pg/mL                                                                                                                                                                                                                                                       |
| Proben                   | serum, plasma, tissue homogenates and other biological fluids                                                                                                                                                                                                 |
| Target-Kategorie         | Bovine S100A1 Calcium Binding Protein (S100)                                                                                                                                                                                                                  |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
