| Kategorie                | Kits/Assays                                                                                                                                                                                                                                      |
| Applikation              | ELISA                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                            |
| Produktbeschreibung      | This Human Thyroid Hormone Receptor Alpha (THRa) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates and other biological fluids . This product is for Research Use Only.... |
| Detektionsbereich        | 62.5-4000pg/mL                                                                                                                                                                                                                                   |
| Sensitivitaet            | 22.5pg/mL                                                                                                                                                                                                                                        |
| Proben                   | tissue homogenates and other biological fluids                                                                                                                                                                                                   |
| Target-Kategorie         | Human Thyroid Hormone Receptor Alpha (THRa)                                                                                                                                                                                                      |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                             |
