| Hersteller               | reddot Biotech                                                                                                                                                                                                                                                |
| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | This Mouse Toll Like Receptor 4 (TLR4) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates, cell lysates, cell culture supernatants and other biological fluids . This product is for ... |
| Detektionsbereich        | 0.156-10ng/mL                                                                                                                                                                                                                                                 |
| Sensitivitaet            | 0.065ng/mL                                                                                                                                                                                                                                                    |
| Proben                   | tissue homogenates, cell lysates, cell culture supernatants and other biological fluids                                                                                                                                                                       |
| Target-Kategorie         | Mouse Toll Like Receptor 4 (TLR4)                                                                                                                                                                                                                             |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
