| Kategorie                | Antikörper                                                                                                                                                                                                                                           |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                    |
| Immunogen                | Recombinant protein comprising amino acids aa 161-201 and 343-396 (extracellular and cytoplasmic domains) of mouse Teneurin-3 (Tenm3, accession number Q9WTS6) connected by a Gly8 linker, produced recombinantly in E.Coli.                         |
| Konjugation              | FL490                                                                                                                                                                                                                                                |
| Produktbeschreibung      | Our chicken Anti-Teneurin-3 recombinant monoclonal antibody is a chimeric antibody derived from NeuroMab clone N497/10. It detects human, mouse, and rat Teneurin-3, and is purified by affinity chromatography. It is great for use in ICC, IHC.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                          |

|                        |                                             |
|------------------------|---------------------------------------------|
| Konzentration          | 0.5 mg/mL                                   |
| Klon-Bezeichnung       | [N497/10]                                   |
| Molekulargewicht       | 303 kDa                                     |
| UniProt                | <a href="#">Q9WTS6</a>                      |
| Target-Kategorie       | Teneurin-3                                  |
| Antibody Type          | Primary Antibody                            |
| Anwendungsbeschreibung | Format: Purified by affinity chromatography |
