## Product Datasheet

**CD53 (HRP), IgG1, Clone: [3H1544 MEM-53], Mouse, Monoclonal  
USB-C2408-11A-HRP**

|                          |                                                                                                                                                                                                                                                               |
