Product Datasheet

T-complex Protein 1 epsilon (T-complex Protein 1 epsilon Subunit, TCP1 epsilon, TCP1-epsilon, TCP-1 epsilon, Chaperonin Containing TCP1 epsilon, Chaperonin-containing TCP-1 epsilon, CCT epsilon, CCT-epsilon, CCTE, Chaperonin Conta USB-T2035-30B-BIOTIN

Artikelname	T-complex Protein 1 epsilon (T-complex Protein 1 epsilon Subunit, TCP1 epsilon, TCP1-epsilon, TCP-1 epsilon, Chaperonin Containing TCP1 epsilon, Chaperonin-containing TCP-1 epsilon, CCT epsilon, CCT-epsilon, CCTE, Chaperonin Conta
Artikelnummer	USB-T2035-30B-BIOTIN
Hersteller Artikelnummer	T2035-30B-Biotin
Alternativnummer	USB-T2035-30B-BIOTIN-100
Hersteller	US Biological
Wirt	Rat
Kategorie	Antikörper
Applikation	IP, WB
Immunogen	CCT Epsilon.
Produktbeschreibung	The intact CCT complex is composed of eight polypeptides in a double-ring structure. CCT is important within cells in aiding the folding of proteins including actin, tubulin and the VHL tumor suppressor protein. Applications: Suitable for use in Gel ...
Klonalität	Monoclonal
Klon-Bezeichnung	[PK/29/23/8d]
Isotyp	IgG2a

UniProt	P48643
Reinheit	Purified by Protein G affinity chromatography from tissue culture supernatant.
Formulierung	Supplied as a liquid in PBS, pH 7.2. Labeled with Biotin.
