| Alternativnummer         | USB-T8040-10A-200                                                                                                                                                                                                                                             |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide selected from the center region of human TLK2 (KLH).                                                                                                                                                                                        |
| Produktbeschreibung      | TLK2, a member of the Ser/Thr protein kinase family, is rapidly and transiently inhibited by phosphorylation following the generation of DNA double-stranded breaks during S-phase. This is cell cycle checkpoint and ATM-pathway dependent and appears to... |
| UniProt                  | <a href="#">Q9UKI7</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by ammonium sulfate precipitation                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, 0.09% sodium azide.                                                                                                                                                                                                              |
