| Hersteller Artikelnummer | T8050-88-ML550                                                                                                                                                                                                                                                |
| Alternativnummer         | USB-T8050-88-ML550-100                                                                                                                                                                                                                                        |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FLISA, IF, WB                                                                                                                                                                                                                                                 |
| Immunogen                | Synthetic peptide corresponding to a 16 amino acid sequence near the middle of human TLR8. Epitope: aa790-840.                                                                                                                                                |
| Produktbeschreibung      | MaxLight(TM)550 is a new Yellow-Green photostable dye conjugate comparable to Alexa Fluor(TM)546, 555, DyLight(TM)549 , Cy3(TM), TRITC and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (550nm), Emission... |

| UniProt                  | <a href="#">Q9NR97</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. Labeled with MaxLight(TM)550.                                                                                                                                                                                            |
