| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Immunogen                | E. coli-expressed porcine TGFb1.                                                                                                                                                                                                                              |
| Produktbeschreibung      | TGFb1 (transforming growth factor-beta1) is a family of multifunctional 25kD proteins. TGFb1 was originally identified for its ability to induce the growth of normal rodent fibroblasts in soft agar. It is now known that TGFb1 is a potent growth inhib... |
| Reinheit                 | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |
| Formulierung             | Supplied as a liquid in PBS, 0.05% sodium azide.                                                                                                                                                                                                              |
