## Product Datasheet

**TMPRSS2 (Transmembrane Protease, Serine 2, Serine Protease 10,  
Transmembrane Protease, Serine 2 Non-catalytic Chain, Transmembrane  
Protease, Serine 2 Catalytic Chain, PRSS10), Goat  
USB-T8264-44B**

|                          |                                                                                                                                                                                                                                                               |

| Alternativnummer         | USB-T8264-44B-100                                                                                                                                                                                                                                             |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Goat                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide corresponding to C-TDWIYRQMRADG, from human TMPRSS2, at the internal region of the protein (NP_005647.2).                                                                                                                                   |
| Produktbeschreibung      | TMPRSS2 is a protein that belongs to the serine protease family. The protein contains a type II transmembrane domain, a receptor class A domain, a scavenger receptor cysteine-rich domain and a protease domain. Serine proteases are known to be involve... |
| NCBI                     | <a href="#">005647</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Formulierung             | Supplied as a liquid in Tris saline, pH 7.3, 0.5% BSA, 0.02% sodium azide.                                                                                                                                                                                    |
