| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Goat                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide, C-KLARNESRSGSNRRE, from the C-Terminus of human WIPF1.                                                                                                                                                                                     |
| Produktbeschreibung      | This gene encodes a protein that plays an important role in the organization of the actin cytoskeleton. The encoded protein binds to a region of Wiskott-Aldrich syndrome protein that is frequently mutated in Wiskott-Aldrich syndrome, an X-linked rece... |
| NCBI                     | <a href="#">003378</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Purified by affinity chromatography.                                                                                                                                                                                                                          |

|              |                                                                            |
|--------------|----------------------------------------------------------------------------|
| Formulierung | Supplied as a liquid in Tris saline, pH 7.3, 0.5% BSA, 0.02% sodium azide. |
