## Product Datasheet

### **ZBP1 (Insulin-like Growth Factor 2 mRNA-binding Protein 1, IGF2 mRNA-binding Protein 1, IMP-1, Coding Region Determinant-binding Protein, CRD-BP, IGF-II mRNA-binding Protein 1, VICKZ Family Member 1, Zip Code-binding Protein 1, ZB USB-Z0400-03B**

|                          |                                                                                                                                                                                                                                                               |

| Artikelname              | ZBP1 (Insulin-like Growth Factor 2 mRNA-binding Protein 1, IGF2 mRNA-binding Protein 1, IMP-1, Coding Region Determinant-binding Protein, CRD-BP, IGF-II mRNA-binding Protein 1, VICKZ Family Member 1, Zip Code-binding Protein 1, ZB                        |
| Artikelnummer            | USB-Z0400-03B                                                                                                                                                                                                                                                 |
| Hersteller Artikelnummer | Z0400-03B                                                                                                                                                                                                                                                     |
| Alternativnummer         | USB-Z0400-03B-100                                                                                                                                                                                                                                             |
| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Wirt                     | Goat                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | Synthetic peptide corresponding to C-EKVFAEHKISYSGQ, from human IMP1, at the Internal region of the protein (NP_006537.3, NP_001153895.1).                                                                                                                    |
| Produktbeschreibung      | yZ-DNA binding protein 1 (ZBP1) belongs to a family of proteins that contain the Zalpha domain which binds specifically to left-handed Z-DNA and Z-RNA. ZBP1 was initially identified as a novel gene that was up-regulated in activated macrophages in mi... |
| NCBI                     | <a href="#">006537</a>                                                                                                                                                                                                                                        |

|              |                                                                            |
|--------------|----------------------------------------------------------------------------|
| Reinheit     | Purified by immunoaffinity chromatography.                                 |
| Formulierung | Supplied as a liquid in Tris saline, pH 7.3, 0.5% BSA, 0.02% sodium azide. |
