## Product Datasheet

### Acyl-CoA Synthetase Short Chain Family Member 2 (ACSS2) Antibody (HRP), Rabbit, Polyclonal ABX319328

|                          |                                                                                            |
|--------------------------|--------------------------------------------------------------------------------------------|
| Artikelname              | Acyl-CoA Synthetase Short Chain Family Member 2 (ACSS2) Antibody (HRP), Rabbit, Polyclonal |
| Artikelnummer            | ABX319328                                                                                  |
| Hersteller Artikelnummer | abx319328                                                                                  |
| Alternativnummer         | ABX319328-20UG, ABX319328-50UG, ABX319328-100UG, ABX319328-200UG, ABX319328-1MG            |
| Hersteller               | Abbexa                                                                                     |
| Wirt                     | Rabbit                                                                                     |
| Kategorie                | Antikörper                                                                                 |
| Applikation              | ELISA                                                                                      |
| Spezies Reaktivität      | Mouse                                                                                      |
| Immunogen                | Recombinant Mouse Acetyl-coenzyme A synthetase, cytoplasmic protein (1-701AA).             |
| Konjugation              | HRP                                                                                        |
| Klonalität               | Polyclonal                                                                                 |
| NCBI                     | <a href="#">60525</a>                                                                      |
| UniProt                  | <a href="#">Q9QXG4</a>                                                                     |
| Puffer                   | 0.01 M PBS, pH 7.4, 0.03% Proclin-300 and 50% Glycerol.                                    |

|                  |                                                         |
|------------------|---------------------------------------------------------|
| Reinheit         | > 95%                                                   |
| Formulierung     | Liquid                                                  |
| Target-Kategorie | Acyl-CoA Synthetase Short Chain Family Member 2 (ACSS2) |
| Antibody Type    | Primary Antibody                                        |
