## Product Datasheet

### **Anti-NDP52/CALCOCO2 Antibody Picoband (monoclonal, 9E2F2) APC Conjugated, Clone: [Clone: 9E2F2], Mouse, Monoclonal BOB-M05876-2-APC**

|                          |                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-NDP52/CALCOCO2 Antibody Picoband (monoclonal, 9E2F2) APC Conjugated, Clone: [Clone: 9E2F2], Mouse, Monoclonal |
| Artikelnummer            | BOB-M05876-2-APC                                                                                                   |
| Hersteller Artikelnummer | M05876-2-APC                                                                                                       |
| Alternativnummer         | BOB-M05876-2-APC-100UG                                                                                             |
| Hersteller               | Boster Bio                                                                                                         |
| Wirt                     | Mouse                                                                                                              |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | FC                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                  |
| Immunogen                | E.coli-derived human NDP52/CALCOCO2 recombinant protein (Position: M1-L446).                                       |
| Klonalität               | Monoclonal                                                                                                         |
| Klon-Bezeichnung         | [Clone: 9E2F2]                                                                                                     |
| NCBI                     | <a href="#">10241</a>                                                                                              |
| UniProt                  | <a href="#">Q13137</a>                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .        |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Calcium-binding and coiled-coil domain-containing protein 2          |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
