## Product Datasheet

### **Anti-hnRNP D/AUF1/HNRNPD Antibody Picoband (monoclonal, 4F3) Fluoro594 Conjugated, Clone: [Clone: 4F3], Mouse, Monoclonal BOB-M09982-1-FLUORO594**

|                          |                                                                                                                              |

| Artikelname              | Anti-hnRNP D/AUF1/HNRNPD Antibody Picoband (monoclonal, 4F3)<br>Fluoro594 Conjugated, Clone: [Clone: 4F3], Mouse, Monoclonal |
| Artikelnummer            | BOB-M09982-1-FLUORO594                                                                                                       |
| Hersteller Artikelnummer | M09982-1-Fluoro594                                                                                                           |
| Alternativnummer         | BOB-M09982-1-FLUORO594-100UG                                                                                                 |
| Hersteller               | Boster Bio                                                                                                                   |
| Wirt                     | Mouse                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | FC                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                            |
| Immunogen                | E.coli-derived human hnRNP D/AUF1/HNRNPD recombinant protein<br>(Position: E88-N246).                                        |
| Klonalität               | Monoclonal                                                                                                                   |
| Klon-Bezeichnung         | [Clone: 4F3]                                                                                                                 |
| NCBI                     | <a href="#">3184</a>                                                                                                         |
| UniProt                  | <a href="#">Q14103</a>                                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                  |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Heterogeneous nuclear ribonucleoprotein D0                           |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
