### Anti-Integrin alpha-7 ITGA7 Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-PA2226-PE

|                          |                                                                                                                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Integrin alpha-7 ITGA7 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                                           |
| Artikelnummer            | BOB-PA2226-PE                                                                                                                                                                             |
| Hersteller Artikelnummer | PA2226-PE                                                                                                                                                                                 |
| Alternativnummer         | BOB-PA2226-PE-100UG                                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                                |
| Applikation              | FC                                                                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                         |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human ITGA7, identical to the related mouse sequence, and different from the related rat sequence by one amino acid. |
| Klonalität               | Polyclonal                                                                                                                                                                                |
| Molekulargewicht         | Calculated Molecular Weight: 128948 MW                                                                                                                                                    |
| NCBI                     | <a href="#">3679</a>                                                                                                                                                                      |
| UniProt                  | <a href="#">Q13683</a>                                                                                                                                                                    |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                               |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                                              |
| Formulierung           | Liquid                                                                                                                    |
| Target-Kategorie       | Integrin alpha-7 [Cleaved into: Integrin alpha-7 heavy chain, Integrin alpha-7 light chain, Integrin alpha-7 70 kDa form] |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users.                                                      |
