| Artikelname              | Anti-MSH2 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                             |
| Artikelnummer            | BOB-PB9284-FITC                                                                                                                                                             |
| Hersteller Artikelnummer | PB9284-FITC                                                                                                                                                                 |
| Alternativnummer         | BOB-PB9284-FITC-100UG                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                  |
| Applikation              | FC                                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                           |
| Immunogen                | E.coli-derived human MSH2 recombinant protein (Position: Q337-N583). Human MSH2 shares 94% and 93% amino acid (aa) sequence identity with mouse and rat MSH2, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 104743 MW                                                                                                                                      |
| NCBI                     | <a href="#">4436</a>                                                                                                                                                        |
| UniProt                  | <a href="#">P43246</a>                                                                                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> N.                                                                |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | DNA mismatch repair protein Msh2                                     |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
