### Anti-RBP4 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-PB9360-CY3

|                          |                                                                                                                                                           |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-RBP4 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                            |
| Artikelnummer            | BOB-PB9360-CY3                                                                                                                                            |
| Hersteller Artikelnummer | PB9360-Cy3                                                                                                                                                |
| Alternativnummer         | BOB-PB9360-CY3-100UG                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                |
| Applikation              | FC                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                     |
| Immunogen                | E.coli-derived human RBP4 recombinant protein (Position: E19-201L). Human RBP4 shares 86% amino acid (aa) sequence identity with both mouse and rat RBP4. |
| Klonalität               | Polyclonal                                                                                                                                                |
| Molekulargewicht         | Calculated Molecular Weight: 23 kDa                                                                                                                       |
| NCBI                     | <a href="#">5950</a>                                                                                                                                      |
| UniProt                  | <a href="#">P02753</a>                                                                                                                                    |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                               |
| Reinheit                 | Immunogen affinity purified.                                                                                                                              |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Retinol-binding protein 4                     |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
