### Anti-BAG2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-PB9524-APC

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-BAG2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                |
| Artikelnummer            | BOB-PB9524-APC                                                                                                                                |
| Hersteller Artikelnummer | PB9524-APC                                                                                                                                    |
| Alternativnummer         | BOB-PB9524-APC-100UG                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | FC                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                         |
| Immunogen                | E.coli-derived human BAG2 recombinant protein (Position: M1-N211). Human BAG2 shares 93.4% amino acid (aa) sequence identity with mouse BAG2. |
| Klonalität               | Polyclonal                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 23772 MW                                                                                                         |
| NCBI                     | <a href="#">9532</a>                                                                                                                          |
| UniProt                  | <a href="#">O95816</a>                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                   |
| Reinheit                 | Immunogen affinity purified.                                                                                                                  |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | BAG family molecular chaperone regulator 2                           |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
