| Artikelname              | Anti-HRPT2/CDC73 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                                             |
| Artikelnummer            | BOB-PB9532-APC                                                                                                                                                                    |
| Hersteller Artikelnummer | PB9532-APC                                                                                                                                                                        |
| Alternativnummer         | BOB-PB9532-APC-100UG                                                                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                        |
| Applikation              | FC                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                             |
| Immunogen                | E.coli-derived human HRPT2 recombinant protein (Position: Q119-R520). Human HRPT2 shares 100% and 99.8% amino acid (aa) sequence identity with mouse and rat HRPT2, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 60577 MW                                                                                                                                             |
| NCBI                     | <a href="#">79577</a>                                                                                                                                                             |
| UniProt                  | <a href="#">Q6P1J9</a>                                                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                       |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Parafibromin                                                         |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
