## Product Datasheet

### Anti-ISG15 Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-PB9950-APC

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ISG15 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                  |
| Artikelnummer            | BOB-PB9950-APC                                                                                                                                   |
| Hersteller Artikelnummer | PB9950-APC                                                                                                                                       |
| Alternativnummer         | BOB-PB9950-APC-100UG                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | FC                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                            |
| Immunogen                | E.coli-derived human ISG15 recombinant protein (Position: G2-G157). Human ISG15 shares 65.8% amino acid (aa) sequence identity with mouse ISG15. |
| Klonalität               | Polyclonal                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 17888 MW                                                                                                            |
| NCBI                     | <a href="#">9636</a>                                                                                                                             |
| UniProt                  | <a href="#">P05161</a>                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |
| Reinheit                 | Immunogen affinity purified.                                                                                                                     |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Ubiquitin-like protein ISG15                                         |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
