## Product Datasheet

### Anti-ISG15 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-PB9951-FLUORO550

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ISG15 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                            |
| Artikelnummer            | BOB-PB9951-FLUORO550                                                                                                                             |
| Hersteller Artikelnummer | PB9951-Fluoro550                                                                                                                                 |
| Alternativnummer         | BOB-PB9951-FLUORO550-100UG                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | FC                                                                                                                                               |
| Spezies Reaktivität      | Mouse                                                                                                                                            |
| Immunogen                | E.coli-derived mouse ISG15 recombinant protein (Position: A2-G155). Mouse ISG15 shares 65.8% amino acid (aa) sequence identity with human ISG15. |
| Klonalität               | Polyclonal                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 17898 MW                                                                                                            |
| NCBI                     | <a href="#">100038882</a>                                                                                                                        |
| UniProt                  | <a href="#">Q64339</a>                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Ubiquitin-like protein ISG15                                         |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
