| Artikelname              | Anti-Dysbindin/DTNBP1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                                                       |
| Artikelnummer            | BOB-A01509-1-FITC                                                                                                                                                                                                 |
| Hersteller Artikelnummer | A01509-1-FITC                                                                                                                                                                                                     |
| Alternativnummer         | BOB-A01509-1-FITC-100UG                                                                                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                                                        |
| Applikation              | FC                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                 |
| Immunogen                | E.coli-derived human Dysbindin/DTNBP1 recombinant protein (Position: M1-S351). Human Dysbindin/DTNBP1 shares 79.4% and 78.6% amino acid (aa) sequence identity with mouse and rat Dysbindin/DTNBP1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 39 kDa                                                                                                                                                                               |
| NCBI                     | <a href="#">84062</a>                                                                                                                                                                                             |
| UniProt                  | <a href="#">Q96EV8</a>                                                                                                                                                                                            |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                 |
| Formulierung           | Liquid                                                                                                       |
| Target-Kategorie       | Dysbindin                                                                                                    |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users.                                         |
