## Product Datasheet

### Anti-CD31/Pecam1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-A01513-3-FITC

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-CD31/Pecam1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                      |
| Artikelnummer            | BOB-A01513-3-FITC                                                                                           |
| Hersteller Artikelnummer | A01513-3-FITC                                                                                               |
| Alternativnummer         | BOB-A01513-3-FITC-100UG                                                                                     |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | E.coli-derived rat CD31/Pecam1 recombinant protein (Position: Q41-E491).                                    |
| Klonalität               | Polyclonal                                                                                                  |
| NCBI                     | <a href="#">29583</a>                                                                                       |
| UniProt                  | <a href="#">Q3SWT0</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                                                |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Platelet endothelial cell adhesion molecule                          |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
