## Product Datasheet

### Anti-Mmp12 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal BOB-A01520-2-FLUORO594

|                          |                                                                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Mmp12 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                                              |
| Artikelnummer            | BOB-A01520-2-FLUORO594                                                                                                                                                             |
| Hersteller Artikelnummer | A01520-2-Fluoro594                                                                                                                                                                 |
| Alternativnummer         | BOB-A01520-2-FLUORO594-100UG                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                                         |
| Applikation              | FC                                                                                                                                                                                 |
| Spezies Reaktivität      | Mouse                                                                                                                                                                              |
| Immunogen                | E.coli-derived mouse Mmp12 recombinant protein (Position: K237-H442). Mouse Mmp12 shares 62.7% and 90.3% amino acid (aa) sequence identity with mouse and rat Mmp12, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                                                              |
| NCBI                     | <a href="#">17381</a>                                                                                                                                                              |
| UniProt                  | <a href="#">P34960</a>                                                                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                        |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Macrophage metalloelastase                                           |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
