## Product Datasheet

### **Anti-CD105/ENG Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal** **BOB-A02997-1-FLUORO647**

|                          |                                                                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-CD105/ENG Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                             |
| Artikelnummer            | BOB-A02997-1-FLUORO647                                                                                                                                |
| Hersteller Artikelnummer | A02997-1-Fluoro647                                                                                                                                    |
| Alternativnummer         | BOB-A02997-1-FLUORO647-100UG                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | FC                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                 |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human CD105, different from the related mouse sequence by twelve amino acids. |
| Klonalität               | Polyclonal                                                                                                                                            |
| Molekulargewicht         | Calculated Molecular Weight: 70578 MW                                                                                                                 |
| NCBI                     | <a href="#">2022</a>                                                                                                                                  |
| UniProt                  | <a href="#">P17813</a>                                                                                                                                |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                           |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Endoglin                                                             |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
