## Product Datasheet

### Anti-NDUFS3 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal BOB-A05867-2-FLUORO594

|                          |                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-NDUFS3 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                               |
| Artikelnummer            | BOB-A05867-2-FLUORO594                                                                                                                               |
| Hersteller Artikelnummer | A05867-2-Fluoro594                                                                                                                                   |
| Alternativnummer         | BOB-A05867-2-FLUORO594-100UG                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | FC                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                    |
| Immunogen                | E.coli-derived human NDUFS3 recombinant protein (Position: R26-K264). Human NDUFS3 shares 90.4% amino acid (aa) sequence identity with mouse NDUFS3. |
| Klonalität               | Polyclonal                                                                                                                                           |
| Molekulargewicht         | Calculated Molecular Weight: 30 kDa                                                                                                                  |
| NCBI                     | <a href="#">4722</a>                                                                                                                                 |
| UniProt                  | <a href="#">O75489</a>                                                                                                                               |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                          |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | NADH dehydrogenase [ubiquinone] iron-sulfur protein 3, mitochondrial |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
