## Product Datasheet

### Anti-MMP20 Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-A06145-2-PE

|                          |                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MMP20 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                     |
| Artikelnummer            | BOB-A06145-2-PE                                                                                                                                    |
| Hersteller Artikelnummer | A06145-2-PE                                                                                                                                        |
| Alternativnummer         | BOB-A06145-2-PE-100UG                                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | FC                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                              |
| Immunogen                | E.coli-derived human MMP20 recombinant protein (Position: Y124-K405). Human MMP20 shares 91.5% amino acid (aa) sequence identity with mouse MMP20. |
| Klonalität               | Polyclonal                                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                              |
| NCBI                     | <a href="#">9313</a>                                                                                                                               |
| UniProt                  | <a href="#">O60882</a>                                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                                       |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Matrix metalloproteinase-20                                          |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
