| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human HOXD11, identical to the related mouse and rat sequences.                                                                                                                         |
| Produktbeschreibung      | Boster Bio Anti-HOXD11 Antibody Picoband catalog A10676-1. Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |

|                        |                                                                                                                                                                                                                                           |
