### Anti-DALRD3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-A17793-2-HRP

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| Artikelname              | Anti-DALRD3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                    |
| Artikelnummer            | BOB-A17793-2-HRP                                                                    |
| Hersteller Artikelnummer | A17793-2-HRP                                                                        |
| Alternativnummer         | BOB-A17793-2-HRP-100UG                                                              |
| Hersteller               | Boster Bio                                                                          |
| Wirt                     | Rabbit                                                                              |
| Kategorie                | Antikörper                                                                          |
| Applikation              | ELISA, IHC, WB                                                                      |
| Spezies Reaktivität      | Human                                                                               |
| Immunogen                | E.coli-derived human DALRD3 recombinant protein (Position: R38-P506).               |
| Klonalität               | Polyclonal                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 59 kDa                                                 |
| NCBI                     | <a href="#">55152</a>                                                               |
| UniProt                  | <a href="#">Q5D0E6</a>                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                        |
| Formulierung             | Liquid                                                                              |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | DALR anticodon-binding domain-containing protein 3                                                                                                                                                                                    |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
