### Anti-LMNTD2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-A18456-APC

|                          |                                                                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-LMNTD2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                      |
| Artikelnummer            | BOB-A18456-APC                                                                                                                                        |
| Hersteller Artikelnummer | A18456-APC                                                                                                                                            |
| Alternativnummer         | BOB-A18456-APC-100UG                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | FC                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                     |
| Immunogen                | E.coli-derived human LMNTD2 recombinant protein (Position: E155-A634). Human LMNTD2 shares 48.5% amino acid (aa) sequence identity with mouse LMNTD2. |
| Klonalität               | Polyclonal                                                                                                                                            |
| Molekulargewicht         | Calculated Molecular Weight: 70 kDa                                                                                                                   |
| NCBI                     | <a href="#">256329</a>                                                                                                                                |
| UniProt                  | <a href="#">Q8IXW0</a>                                                                                                                                |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                           |
| Reinheit                 | Immunogen affinity purified.                                                                                                                          |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Lamin tail domain-containing protein 2                               |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
