## Product Datasheet

### **Anti-SLC35E4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal** **BOB-A18522-FLUORO550**

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SLC35E4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                     |
| Artikelnummer            | BOB-A18522-FLUORO550                                                                                        |
| Hersteller Artikelnummer | A18522-Fluoro550                                                                                            |
| Alternativnummer         | BOB-A18522-FLUORO550-100UG                                                                                  |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                       |
| Immunogen                | E.coli-derived human SLC35E4 recombinant protein (Position: M1-L350).                                       |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 24145 MW                                                                       |
| NCBI                     | <a href="#">339665</a>                                                                                      |
| UniProt                  | <a href="#">Q6ICL7</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Solute carrier family 35 member E4                                   |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
