## Product Datasheet

### Anti-TOMM20L Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-A18568-HRP

|                          |                                                                                                                                                            |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-TOMM20L Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                          |
| Artikelnummer            | BOB-A18568-HRP                                                                                                                                             |
| Hersteller Artikelnummer | A18568-HRP                                                                                                                                                 |
| Alternativnummer         | BOB-A18568-HRP-100UG                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                 |
| Applikation              | ELISA, IHC, WB                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                                      |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human TOMM20L, which shares 70% amino acid (aa) sequence identity with mouse TOMM20L. |
| Klonalität               | Polyclonal                                                                                                                                                 |
| Molekulargewicht         | Calculated Molecular Weight: 24145 MW                                                                                                                      |
| NCBI                     | <a href="#">387990</a>                                                                                                                                     |
| UniProt                  | <a href="#">Q6UXN7</a>                                                                                                                                     |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                                               |

|                        |                                                                                                                                                                                                                                          |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                                                                                                   |
| Target-Kategorie       | TOMM20-like protein 1                                                                                                                                                                                                                    |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users.<br>Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
