## Product Datasheet

### Anti-HDGFL2 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-A32401-2-FLUORO647

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-HDGFL2 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                      |
| Artikelnummer            | BOB-A32401-2-FLUORO647                                                                                      |
| Hersteller Artikelnummer | A32401-2-Fluoro647                                                                                          |
| Alternativnummer         | BOB-A32401-2-FLUORO647-100UG                                                                                |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | FC                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                       |
| Immunogen                | E.coli-derived human HDGFL2 recombinant protein (Position: E472-K563).                                      |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                       |
| NCBI                     | <a href="#">84717</a>                                                                                       |
| UniProt                  | <a href="#">Q7Z4V5</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Hepatoma-derived growth factor-related protein 2                     |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
