| Produktbeschreibung      | Boster Bio Anti-SARS-CoV-2 ORF3a Antibody catalog A33994. Tested in ELISA applications. This antibody reacts with Human....                                                                                                                                  |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 140 kDa, 130 kDa, 110 kDa. Calculated Molecular Weight: 16693 MW                                                                                                                                                                  |

|                        |                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">43740569</a>                                                                  |
| UniProt                | <a href="#">P0DTC3</a>                                                                    |
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl and 0.2mg Na <sub>2</sub> HPO <sub>4</sub> . |
| Reinheit               | Immunogen affinity purified.                                                              |
| Formulierung           | Lyophilized                                                                               |
| Target-Kategorie       | ORF3a protein                                                                             |
| Application Verdünnung | ELISA, 0.001-0.1µg/ml, Human                                                              |
