| Hersteller               | Biorbyt                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                               |
| Applikation              | ICC                                                                                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                                                                                    |
| Immunogen                | KLH conjugated Synthesised phosphopeptide derived from human RAC1 around the phosphorylation site of Ser71 PL(p-S)YP                                                                     |
| Konjugation              | PE                                                                                                                                                                                       |
| Produktbeschreibung      | Phospho-RAC1 + RAC2 (Ser71) Rabbit Polyclonal Antibody (PE) is a PE conjugated antibody targeting RAC1. This antibody is suitable for ICC. It exhibits reactivity with Human samples.... |
| Klonalität               | Polyclonal                                                                                                                                                                               |
| Konzentration            | 1mg/ml                                                                                                                                                                                   |
| Puffer                   | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                   |

|                        |                              |
|------------------------|------------------------------|
| Target-Kategorie       | RAC1                         |
| Application Verdünnung | ICC/IF=1:100-500             |
| Anwendungsbeschreibung | Modification: Phosphorylated |
