### TRAP alpha/TRAPA/SSR1 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB763084

|                          |                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TRAP alpha/TRAPA/SSR1 Rabbit Polyclonal Antibody, Unconjugated                                                                                       |
| Artikelnummer            | BYT-ORB763084                                                                                                                                        |
| Hersteller Artikelnummer | orb763084                                                                                                                                            |
| Alternativnummer         | BYT-ORB763084-100                                                                                                                                    |
| Hersteller               | Biorbyt                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | ELISA, FC, ICC, IF, IHC, IP, WB                                                                                                                      |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                                            |
| Immunogen                | E.coli-derived human SSR1 recombinant protein (Position: E53-E286).                                                                                  |
| Konjugation              | Unconjugated                                                                                                                                         |
| Produktbeschreibung      | Anti-TRAP alpha/TRAPA/SSR1 Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                           |
| Konzentration            | 500 µg/ml                                                                                                                                            |
| Molekulargewicht         | 36 kDa                                                                                                                                               |
| UniProt                  | <a href="#">P43307</a>                                                                                                                               |
| Puffer                   | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> .                                                               |

|                        |                                                                                                                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                 |
| Target-Kategorie       | Translocon-associated protein subunit alpha                                                                                                                                                                                                                                 |
| Application Verdünnung | Western blot, 0.1-0.25µg/ml, Human, Mouse, Rat, Monkey<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml,<br>Human, Mouse, Rat Immunocytochemistry/Immunofluorescence,<br>5µg/ml, Human Immunoprecipitation, 0.5-2 µg/ml, Human Flow<br>Cytometry (Fixed), 1-3µ |
