### Gephyrin/GPHN Rabbit Polyclonal Antibody, Unconjugated BYT-ORB763172

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Gephyrin/GPHN Rabbit Polyclonal Antibody, Unconjugated                                                                               |
| Artikelnummer            | BYT-ORB763172                                                                                                                        |
| Hersteller Artikelnummer | orb763172                                                                                                                            |
| Alternativnummer         | BYT-ORB763172-100                                                                                                                    |
| Hersteller               | Biorbyt                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | ELISA, ICC, IF, IHC, WB                                                                                                              |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                            |
| Immunogen                | E.coli-derived human Gephyrin/GPHN recombinant protein (Position: K148-L736).                                                        |
| Konjugation              | Unconjugated                                                                                                                         |
| Produktbeschreibung      | Anti-Gephyrin/GPHN Antibody. Tested in ELISA, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat, Monkey.... |
| Klonalität               | Polyclonal                                                                                                                           |
| Konzentration            | 500 µg/ml                                                                                                                            |
| Molekulargewicht         | 93 kDa                                                                                                                               |
| UniProt                  | <a href="#">Q9NQX3</a>                                                                                                               |

|                        |                                                                                                                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                     |
| Formulierung           | Lyophilized                                                                                                                                                                                                                   |
| Target-Kategorie       | Gephyrin [Includes: Molybdopterin adenylyltransferase                                                                                                                                                                         |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat, Monkey<br>Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml,<br>Human, Mouse, Rat Immunocytochemistry/Immunofluorescence, 5<br>µg/ml, Human ELISA, 0.1-0.5 µg/ml, - |
