| Wirt                     | Rabbit                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                |
| Applikation              | WB                                                                                                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                         |
| Immunogen                | Peptide sequence around phosphorylation site of threonine 291 (P-R-T(p)-P-G derived from Human MEK1.                                                                      |
| Produktbeschreibung      | Catalyzes the concomitant phosphorylation of a threonine and a tyrosine residue in a Thr-Glu-Tyr sequence located in MAP kinases. Activates ERK1 and ERK2 MAP kinases.... |
| Klonalität               | Polyclonal                                                                                                                                                                |
| NCBI                     | <a href="#">5604</a>                                                                                                                                                      |
| UniProt                  | <a href="#">Q02750</a>                                                                                                                                                    |
| Formulierung             | Purified                                                                                                                                                                  |
| Target-Kategorie         | MEK1 (Phospho-Thr291)                                                                                                                                                     |

|                        |                                                    |
