| Artikelname              | Polyclonal Antibody to Her3/ErbB3 (phospho-Tyr1328), Rabbit                                                 |
| Artikelnummer            | ABI-35-1307-50                                                                                              |
| Hersteller Artikelnummer | 35-1307-50                                                                                                  |
| Alternativnummer         | ABI-35-1307-50-50UL                                                                                         |
| Hersteller               | Abeomics                                                                                                    |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | IF, IHC, WB                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | Peptide sequence around phosphorylation site of tyrosine 1328 (P-D-Y(p)-W-H) derived from Human Her3/ErbB3. |
| Produktbeschreibung      | Binds and is activated by neuregulins and NTAK....                                                          |
| Klonalität               | Polyclonal                                                                                                  |
| NCBI                     | <a href="#">2065</a>                                                                                        |
| UniProt                  | <a href="#">P21860</a>                                                                                      |
| Formulierung             | Purified                                                                                                    |
| Target-Kategorie         | Her3/ErbB3 (phospho-Tyr1328)                                                                                |

|                        |                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Predicted MW: 185kd, Western blotting: 1:500~1:1000,<br>Immunohistochemistry: 1:50~1:100, Immunofluorescence:<br>1:100~1:200 |
