## Product Datasheet

### [KO Validated] Bcl10 Rabbit pAb, Unconjugated, Polyclonal ABB-A1106

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | [KO Validated] Bcl10 Rabbit pAb, Unconjugated, Polyclonal                                      |
| Artikelnummer            | ABB-A1106                                                                                      |
| Hersteller Artikelnummer | A1106                                                                                          |
| Alternativnummer         | ABB-A1106-100UL, ABB-A1106-20UL                                                                |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | ELISA, WB                                                                                      |
| Spezies Reaktivität      | Human                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Polyclonal                                                                                     |
| Molekulargewicht         | 26kDa                                                                                          |
| NCBI                     | <a href="#">8915</a>                                                                           |
| UniProt                  | <a href="#">O95999</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |

|                        |                                                                                                                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:2000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                                                                                                                           |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Cancer,Invasion and Metastasis,Signal Transduction,Cell Biology Developmental Biology,Apoptosis,Caspases,Endocrine Metabolism,Immunology Inflammation,B Cell Receptor Signaling Pathway,T Cell Receptor Signaling Pathway. Shipping: Ice Bag |
